Mr. Aleksander Jarosz,

On behalf of the State of Indiana, I want to personally thank you for the remarkable impact you have made during your time as a foreign exchange student here in Rushville, Indiana. It has come to my attention that over the past year, you have not only embraced the Hoosier spirit – you've embodied it.

From showcasing your athletic abilities on the Rushville Lions Football Team to leading the school's golf team as its top player, your commitment to excellence is evident. As you prepare for golf sectionals, I know your teammates and community are cheering you on with pride.

Beyond athletics, your dedication to public service is equally impressive. Raising over \$10,000 through the local St. Patrick's Day event and volunteering your time – especially with children – demonstrates maturity and compassion well beyond your years. To top it off, maintaining excellent grades at Rushville High School is an achievement that reflects your discipline, intellect, and drive.

You have made a lasting impression here in Indiana. In every way, you reflect the very best of what it means to be a Hoosier: hard work, kindness, humility, and service to others.

As you return to Poland, please know that you will always have a second home here in the Hoosier State. I am honored to recognize your contributions and present you with the title of Honorary Hoosier – a small token of our appreciation and respect.

Wishing you continued success in all that lies ahead.

Sincerely,

A handwritten signature in black ink that reads "Mike Braun".
